

Independent Expert (Freelance)

Strategy Consulting Sourcing & Procurement at Sourcing Champions

Are you our next Sourcing Champion?

Join an exciting **scale-up** company, ready for the next phase of growth. We are truly an enthusiastic procurement strategy team. Our vision and growth are built on entrepreneurship and people. We want to transform Sourcing & Procurement into a real competitive advantage.

About Sourcing Champions:

Sourcing Champions is a boutique strategy consultancy firm in global sourcing and procurement. We offer next-level procurement consulting by combining strategy with digital technology to deliver maximum value.

With boost programs in procurement strategy, sustainability, digitalization, innovation sourcing and more, we transform procurement into a real competitive advantage. Sourcing Champions values direct client collaboration to build procurement organization capabilities with a strong digital backbone to future-proof the clients' business.

Our procurement consultants are experts in translating procurement needs into industry best practices and continuously drive sustainable and responsible procurement.

As we are expanding every day, we are always seeking to add **experienced independent experts** to our team on a project base. Our team of consultants and experts work together to develop and implement sourcing strategies that solve our client's most critical problems.

Preferred qualifications:

- MSc / MBA in Business Administration or Economics.
- Certified Procurement professional (APICS/CIPS equivalent).
- Passionate about commerce, strategy and driving transformational change in organizations.
- 10 -15 years of work experience in sourcing and procurement.
- Deep experience with category management of direct and/or indirect categories.
- Affinity and easy to work with digitalisation tools in procurement.
- Strong capabilities in Sourcing & Procurement, such as category strategy & management, tender processes, negotiations, contract management driving complex procurement projects.
- Experience driving initiatives from strategy to execution and delivering results while managing multiple categories together with the client.
- Strong people skills, stakeholder management capabilities.
- Strong project management & change management skills. Organised and deadline-driven.
- Excellent analytical, problem-solving, and communication skills with excellent stakeholder, agreement, and performance management, supplier analysis, strategic planning, and procurement process knowledge.
