We are seeking to fill an intern position in Sourcing & Procurement. You will be immersed in different projects across the globe. You will assist our clients in solving complex strategic and operational challenges across the Source-to-Pay process. Our teams of consultants and experts work to develop and implement sourcing strategies that solve our client's most critical problems. You will be expected to support our programs and to analyse and interpret complex data and translate analysis into strategic options and drive execution.

Are you the entrepreneurial student that is not afraid to take on any operational task? Then contact us today!

Feel free to reach out with any questions you may have about this position, we are happy to guide you.

 **About Sourcing Champions:**

Sourcing Champions is a boutique “next level” procurement consulting firm based out of Amsterdam and Munich. Our mission is to transform Sourcing & Procurement into a real competitive advantage for any organisation. With procurement often being around 70% of the costs of an organisation, it is of significant importance to do it right and get the maximum value out of the supply base.

We are an international multilingual team with a deep-rooted procurement DNA and experience in the end-to-end view of Sourcing & Procurement from sourcing strategy to contract management. *“We bring passion to procurement”*

We apply strong project management support to ensure an effective transformation, which is deeply customer focused and hands-on. *“We boost”*

We provide the very best digital technology fully integrated in all our programs, to get the maximum value out of your digitalization roadmap. *“We transform”*

We are value and result driven with strong programs like Category Strategy, Sourcing Innovation, Sustainability and Cost reduction. *“We make it happen”*

We form long-lasting relationships with our clients to continuously unravel opportunities for innovative growth in both their procurement strategy and delivery. What makes us stand out is our practice to personally invest in your successful project outcome. *“We go beyond”*

We want to transform Sourcing & Procurement into a real competitive advantage - let's do it together! Join us!
